

"Music Tells Stories" Series -- Carol Tavis, Music Director

You and your family are invited to join us each month for the "Music Tells Stories" Concert Series. Sponsored by The Friends of the Covina Public Library, performances are held in the Library Community Room on the fourth Thursday of each month at 4 p.m., unless otherwise noted for holidays.

Rule Britannia! – April 26--Cancelled After we celebrate our great country, let's cross the pond to our Mother Country. From the ancient ballads of seafarers and Beowulf to the Beatles, we have always celebrated our musical English heritage. Along the way we could meet Barbara Allen, Britannia, Mabel and Gertrude Lawrence. Join us as the sun never sets on a good British song.

To Infinity and Beyond – June 28

Let's really take a trip all the way to outer space. We shall celebrate the sun, the moon, the planets and maybe even stop by Gallifrey. This celestial trip through the cosmos will have you wishing on a star, sighing for the blue moon and going where no one has gone before.
